To the Chairperson of the Doctoral Commission
of the Department of Chemistry and Chemical Biology of TU Dortmund University

Affidavit for Dissertations

in accordance with the Supplement to the Doctoral Regulations of 29 October 2010
(doctoral degree program) on 20 November 2023

I hereby declare in lieu of oath that I have completed this dissertation with the following
title

independently and without unauthorized outside help. I have not used any sources and
aids other than those indicated and have marked any literal and analogous quotations.
I also declare that when using writing and image tools supported by artificial
intelligence (AI), I have listed them in full in the overview of aids used with their product
name, my source of supply as well as the specific methodology and, when adopting
texts created by generative writing tools, I have labelled the relevant text passages in
the work as written with AI-generated support. The thesis has not yet been submitted
in the same or a similar form to any examination authority. I have ensured that the use
of generative models has not infringed any third-party intellectual property and that I
have not committed any scientific misconduct, for example in the form of plagiarism.
